MESSAGE FROM THE HOD'S DESK

Hearty welcome and best wishes to all the individuals who receive this newsletter. It gives me great pleasure to present the third issue of "SPARKZ" for the academic year 2021-22. I cheer the students to work hard and put in their best efforts towards their technical endeavors so that it may yield prolific results. I would like to thank all my colleagues for their diligent efforts to help the department progress at a very steady rate of knots. We as a team strive hard to take the department to the height of success, glory and to achieve our vision.

VISION & MISSION

SPARKZ '22 APRIL-JULY

VISION OF THE DEPARTMENT

To produce graduates with a foundation in Electrical and Electronics Engineering who can cater to the dynamic needs of the industry and provide a diverse and stimulating environment for quality research.

MISSION OF THE DEPARTMENT

- M1.** To align the teaching-learning process and to provide a basic foundation For the students to adapt to the changing industrial needs
- M2.** To enrich with the latest developments through seminars, guest lectures, workshop and paper presentations
- M3.** To awake young minds to acquire knowledge continuously and learn to apply it
- M4.** To attain multidisciplinary problem-solving skills, social awareness and confidence required to excel in their chosen field
- M5.** To develop professional competency and technical expertise individually and through team effort thereby exhibit leadership in the industry
- M6.** To create a research-oriented mindset and focus on fulfilling the growing demands of society through mentoring and motivation

PROGRAM EDUCATIONAL OBJECTIVES (PEO'S)

1. Graduates will have fundamental and broad knowledge in Electrical Sciences relating to industrial applications and research to design, analyze and synthesize information from various sources and think differently to provide solutions to their discipline
2. Graduates will become entrepreneurs, employees of reputed organizations, pursue higher studies and research for developing advanced skills in Electrical and Electronics Engineering
3. Graduates will exhibit technical and intellectual competence and will be amenable for life-long learning
4. Graduates will demonstrate technical knowledge and ethical values for professional development to meet the societal needs
5. Graduates will be able to work in a multi-disciplinary environment by providing solutions to real-time problems.

Math Bricks'22 - A Technical Quiz Competition was conducted for higher secondary school students in fundamentals of Mathematics on 30/04/2022 by Department of Electrical and Electronics Engineering, Easwari Engineering College. We received 87 students registration for this Quiz competition. Among them, 56 students are from 12th standard and 31 students from 11th standard. 79 students actively participated in the Quiz competition from various schools and got benefitted. 71 students have obtained 75% and above score.

Department of Electrical and Electronics Engineering , Easwari Engineering College (Autonomous) and IEEE student branch-EEC cordially organized a Webinar on "Artificial Intelligence and Machine Learning in Electrical Applications" on 28.05.2022. the session was handled by Mr.Vignesh Kumar Gunesekar, Director, Skillora Labs and Technologies Pvt Ltd, Chennai.

EEE Department students won second place in Project display at TRP Engineering College TRICHY. The Project Title was Identification and prevention of Preeclampsia for Pregnant women at risk.

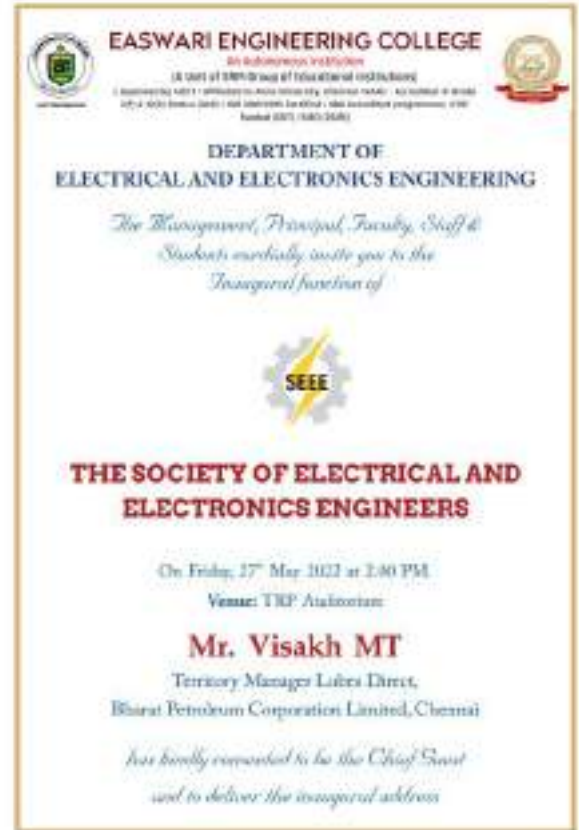

Third year EEE Students completed their minor project work for the subject Hybrid Electric Vehicles.

Students have done 3 apps for EVs application and 11 hardware projects to demonstrate EV charging, BMS, Regenerative system and Vehicle to vehicle and vehicle to Charging station communication.

The SEEE (THE SOCIETY OF ELECTRICAL AND ELECTRONICS ENGINEERS) was inaugurated on 27.05.22. Mr. Visakh MT Territory Manager Lubes Direct, Bharat Petroleum Corporation Limited, Chennai was the guest speaker.

Students Activities

EEE Students have won Rs.5000 prize in the IEEE project contest conducted by IEEE Madras section at B.M. Birla Planetarium, Chennai on 23.4.2022.
