

EASWARI ENGINEERING COLLEGE
(AUTONOMOUS)
DEPARTMENT OF CIVIL ENGINEERING

08.04.22

Consultancy work carried out from April 2021 – March 2022

Academic Year 2021-2022				
Consultancy Project	Consultancy Period	No. of Faculty Involved	Client Organization Name	Amount Received (Rs)
NDT test – BCAS Sport complex and admin block	1 Month	3	Geo Engineering Consultants	13000
Test on Plastering sand	1 Week	3	SGN Infrastructures	7080
Test on Concrete Cube	1 Week	3	SGN Infrastructures	1770
Test on Concrete Cube	1 Week	3	SGN Infrastructures	7965
Assessment of concrete in RC structural Elements	1 Week	2	SGN Infrastructures	11800
Fire fighting in the campus and modality of carrying out the proposal	1 Week	2	SGN Infrastructures	5900
Study of the campus layout and suggestion for fire extinguisher points	1 Month	2	SGN Infrastructures	29500
Water supply and drainage layout and design of plumbing systems	2 Month	2	SGN Infrastructures	88500
Firefighting sump, domestic and flushing sump and rain water storage sump	1 Month	2	SGN Infrastructures	76700
Design report and revised DBR regarding firefighting installations	1 Month	2	SGN Infrastructures	35400

Design report and revised DBR regarding plumbing work	1 Month	2	SGN Infrastructures	35400
Testing of Beams	1 Month	2	Research Scholar	6000
Total Amount				351740
