Event organized: Symposium

The Department of Information Technology organized PINNACLE2K23, a National Level Symposium on 25th March 2023. The event commenced with an inauguration ceremony, featuring Tamil Thai Vaazhthu and a captivating classical dance performance by a trio from first year. Mr. Sundarajan Anandan, Vice President at HTC Global Services was the chief guest. The lighting of the bronze lamp marked an auspicious beginning. Kavya Mishra and Isha Shiva hosted the event as compères. The Newsletter was released by the chief guest and provided valuable insights to the attendees. The students of the department who achieved in various events were recognized and awarded with medals and the chief guest received a memento. The event featured a diverse range of

both technical and non-technical activities. Rahul C of final year graciously took the stage to deliver the validation and the vote of thanks. To culminate the event, a Biryani Feast was given to all the participants, department students and the staffs. The event concluded with a vibrant dance and music by DJ Satz.
