MESSAGE FROM THE CHAIRMAN

Dear Students,

Hearty welcome to you all! The academic year 2023-2024 is beginning on a positive note of eagerness and expectation by all stakeholders with classes being conducted in the physical mode and the campus becoming as dynamic as possible with a number of student-centric activities.

The autonomy vested with the college has given immense scope in the academic realm chiefly with respect to curriculum design and delivery. In addition, knowledge sharing has gone global with very many tie-ups to premier technical universities abroad with a vision of creating global leaders with values. The exposure and experience gained at college will remain a benchmark for your further growth.

The suite of infrastructure facilities combined with the expertise of the experienced faculty will lay a strong foundation in your respective domains. The positive academic ambience here is continuously complemented with vibrant campus life activities which will help students identify their interests, foster creativity and innovation, enhance leadership skills as well build memories to cherish. Make best of the plethora of unique opportunities provided.

This academic calendar carries information on academics, campus life, teaching pedagogies, research strengths, professional societies and club activities.

I wish that you enjoy the learning experiences and realize your aspirations.

Dream big, take a huge step forward, spread your wings and explore!

Best Wishes

Dr. R. Shivakumar, M.D
Chairman
17th July 2023   *SRM Ramapuram and Trichy Campus*

1. VISION

To accomplish and maintain international eminence and become a model institution for higher learning through dedicated development of minds, advancement of knowledge and professional application of skills to meet the global demands.

2. MISSION

1. Easwari Engineering College strives to set high standards of comprehensive education by developing the intellectual strength of students and guiding them towards technical advancement.

2. Synergize the efforts of various departments, inspire creativity and foster excellence and innovation in teaching and learning so as to realize our vision as a Premier Engineering Institution.

3. Nurture the development of mind, skill, and attitude and core competence of students.

4. Attain leadership in planning and resource management so as to improve the quality and accessibility of technical education.

5. Produce graduates of International distinction, committed to integrity, professionalism and lifelong learning by widening their knowledge horizons in range and depth.

6. Enable students shine in their academic pursuits, making them sensitive to the needs of the progressive industrial world.

7. Organize a pluralistic and supportive environment that will stimulate scholars, students and staff of the higher caliber and contribute immensely to the process of Nation building through partnership with Community and Industry

3. GOALS

1. Develop the skills of original, critical and creative thinking and scientific inquiry in students and encourage entrepreneurship amongst them.

2. Provide high quality library, instructional materials & programs and counselling services.

3. Prepare our graduates to exercise leadership for making contributions in their respective disciplines.

4. Motivate and encourage higher secondary students to pursue education in engineering and technology.

5. Provide state-of-the-art technical training and services to students and faculty / employees through re-education and re-training.

6. Commit resources and provide exciting opportunities for faculty to work with industry to stay abreast of changing academic needs and develop technologies based on the identified needs of the society.

7. Attract and retain faculty committed to scholarly excellence and incorporate developing technologies, methods, ideas and concepts into instructional programs.

8. Continue to solidify our reputation as a community leader and partner, providing a variety of engineering education and services.

9. Inspire, encourage and maintain an atmosphere of open and broad based involvement and participation of students and faculty in the activities of the college.

10. Establish and maintain this Institution as a center of excellence in technical education

11. Provide administrative, academic and support services that create an environment conducive to teaching, learning and student success.

4. QUALITY POLICY

We, at Easwari Engineering College, are committed to Imparting Quality Education and skill sets with ethics and developing the students of Engineering, Management and Computer Application, as excellent professionals and responsible citizens to promote Industrial progress and societal transformation

We Implement Quality Systems to achieve continuous Improvement and become a World Class Institution

6. PREAMBLE

Easwari Engineering College (Autonomous) was established in the academic year 1996 - 1997, with the Vision for 'Women Empowerment' through Higher Education in 'Engineering and Technology'. At that point of time, the College held the unique status of being the first and the only 'Engineering College for Women' affiliated to the University of Madras. This was a pioneering effort, Propelled by sustained public demand, the college was subsequently converted to co-education in 2002. The college provides academic ambience through inspiration, fosters enthusiasm and motivation so as to realize challenging and rewarding career pathways to students.

Our unwavering commitment to quality education and experiential learning ensures that our students develop the abilities for critical thinking and evaluation of issues; they are trained to translate concepts and theoretical knowledge into real time situations. Besides these, our students are molded to be socially aware and become responsible, to make effective contributions towards 'societal transformation and nation building'. The SRM Group stays focused on its ideals and steadily embraces quality, values and tradition.

7. THE GENESIS

Easwari Engineering College (Autonomous), a unit of Sri Ramaswamy Memorial (SRM) Group of Educational Institutions for higher learning, is functioning under the aegis of a 5 decade old "Valliammai Society". The society was founded for promoting the cause of quality education by Dr. T. R. Paarivendhar, an academician and educationist. SRM Group runs a network of more than 21 different institutions and is one of the largest Educational Groups in the Country. The Branches of study include Engineering and Technology, Management, Medical / Dental / Life and Bio-Sciences / Paramedical and Allied Medical Sciences / Hospitality and Arts & Science.

Contributions made by SRM group consistently over the years through Educational Institutions and Health Care Services have been recognized at the National Level. On the basis of its academic strength, quality of education and associated factors, SRM Engineering College and SRM Dental College were accorded the status of Deemed University in the year 2002. In 2006, SRM Institute of Science and Technology (Deemed University) became 'SRM University' (under section 3 of UGC Act). The University has added several UG and PG programmes, including MBBS Degree programme. In 2017, SRM University became SRM Institute of Science and Technology. The Mission continues…

8. ABOUT THE COLLEGE

Easwari Engineering College (Autonomous) was instituted in the academic year 1996 - 1997, with the approval of Government of Tamil Nadu and AICTE, New Delhi and the college has become autonomous since 2019. The College is affiliated to Anna University, Chennai since 2002. All programmes have got permanent affiliation except Automobile Engineering, Robotics and Automation Engineering, Biomedical Engineering, Artificial Intelligence and Data Science. In this academic year, additional courses in CSE (Cyber Security) and CSE (Artificial Intelligence and Machine Learning) have been started.

Pursuing the philosophy of continuous learning, the institution prepares the students to score creditably in the academic sessions and also encourages them to develop their interpersonal and intrapersonal skills and attitudes to approach life with confidence. The academic ambience is such that students as well as faculty members are inspired and supported to attain high standards of education and skill sets and shine in their chosen path.

Faculty members, with their impressive academic, research and industrial experience, lead the students to achieve excellence and competence. This in turn enhances the core strength of students and enables them to realize all round development.

College offers 12 Under-Graduate and 6 Post Graduate Programmes, covering Engineering & Technology and Management. The National Board of Accreditation (NBA) and National Assessment and Accreditation Council (NAAC) have already accredited the Programmes offered by the College. The College has obtained ISO 9001: 2015 Certification from TUV, South Asia.

So far, 23 Batches of Engineering students have successfully passed out. In 2021-22, 'Placement' was more than 92% in companies of repute, in 2022-2023 placements is around 95% till May '23. Many of our students pursue higher studies in India and abroad. Our Alumni association is also very active.

The College, located at Bharathi Salai, Ramapuram is within the Metropolis of Chennai and is about 20 minutes' drive from prime parts of the city, viz. Anna University Chennai, Raj Bhavan, IIT, Railway Station (Guindy), Airport and Bus Terminus (Please refer to the Route Map on the rear cover).

9. THE GOVERNING COUNCIL

Governing Council, the Apex Committee of the College for its perspective, policy/ financial planning and management, meets twice or more in a year. The Agenda focuses on comprehensive development and on continuous improvement for steady growth of the College. The Council monitors the formulation, programme implementation and

evaluation and reforms with special reference to quality and standards of academic and industrial expectations.

11. INFRASTRUCTURE AND FACILITIES

Easwari Engineering College has been developed over the years and fully established with 7 imposing multi-storied Academic Blocks and 3 Workshop Blocks

Main Block (EEE, CSE, AUTOMOBILE, ECE, AI&DS, IT)	*Electronics Block II (ENGLISH, PHYSICS, CHEMISTRY)*
Electronics Block I (ECE, BME, MATHS)	*Civil Block (CIVIL)*
Basic Engineering Block	*Two Workshop Blocks*
P.G. Block (EIE, MBA)	*Mechanical Block (MECH, R&A)*

The buildings are fully furnished with laboratories, Centre of Excellence, smart class rooms/ Class rooms, conference halls, offices of HODs, Staff rooms, Seminar Halls, department Libraries and other facilities as per AICTE Norms and Standards. (for details please visit our website www.srmeaswari.ac.in). Spacious lawns between the entrance and buildings and green trees around provide the serene and right ambience for the Campus. The College has 5 Residential Hostels, separately for boys and girls. Facilities provided in the hostels include:

Study Halls	*Recreation Rooms with Television*	*Common Rooms*
Magazine Section	*Entertainment Hall and Indoor Games*	*Temple*
Health Centre and Gym	*Areas for Sports and Indoor Games*	*Yoga Section*

Other facilities within the Campus include:

TRP Auditorium	Hi Tech (Seminar) Halls
Food Courts /Canteens	Super Market/ Department Stores
Photocopy and Telecom facilities	Bank with ATM
DTP and Internet Centres	Post Office (adjoining Location)
Two separate sewage Treatment plants	Iron filtration plant
Generator backup service for all buildings	RO plant for every building
Solar water heater	Additional Facilities for value added courses
Public Announcement LED TV in each block	Centralized Audio Information System

A 150-Bedded multi-specialty hospital is established well within the campus to provide health care for students, faculty members and the public. Free consultation and treatment are provided.

11.1 COMPUTER CENTRES AND INTERNET FACILITIES

Fully furnished Computer Labs are available in all the departments. These labs cater to the computing needs of the students & faculty members. There are totally 1346 Terminals, i5 and i7 processors with latest configuration and UPS backup service:

System Configurations are:

WINDOWS server 2016-R2, 2022

UNIX/ LINUX Operating Systems

Windows 10

16 Branded Servers

All Terminals are networked to provide cross platform application with Client Server architecture. All buildings of the College have been linked up and connectivity has been established through Fiber-Optic cables. In addition to the provision of regular course work in C, C++, JAVA, ORACLE, VB, VC++, Rational Rose, FOSS Lab, Prolog, Tensor flow, Mango DB, PyTorch and Web Sphere, there is provision for Multimedia based English learning software in an exclusive Language Laboratory. Academic/ Administrative Software have also been installed to facilitate effective coordination among departments and operations.

INTERNET Facilities:

In addition to that, the College has 1GBPS [1:1] internet connectivity through Airtel leased line.

This caters to:

Wi-Fi enabled campus.

All department labs connected through LAN

Browsing Centers and DTP in the Hostels / Campus (General needs)

High speed internet connectivity in libraries

11.2 LABORATORIES / WORKSHOPS

All departments have laboratories/ workshops as per AICTE stipulations and curriculum of Anna University. These are well established with modern facilities, equipment and systems. Our labs are regularly updated and upgraded to cater to the students' needs. (for details of the Syllabi and Laboratories, visit the College website www.srmeaswari.ac.in)

11.3 THE CENTRAL LIBRARY

Our Library is a paradise for those who have a passion for reading books and enthusiasm for widening their knowledge base in depth and extent. The Library is spread over 2 storeys (Mezzanine Type floors) and is housed in the P.G. Block. The library has an area of 2100 sq. m. of built-up facilities.

11.3.1 LIBRARY RESOURCES AND SERVICES

- Fully computerized (KOHA – Open-Source Library Integrated System) working systems.
- 21480 Titles 79930 and Volumes
- 164 National Print Journals
- 1614 Online Journals from IEEE (ASPP), Elsevier (Science Direct), EBSCO (Management), ASME (American Society of Mechanical Engineering), & ASCE (American Society of Civil Engineering)
- Over 41 lakhs e-books from World e-books and 10000+ e-books from DELNET
- Institutional Registration in National Digital Library of India Club
- Institutional Memberships: DELNET (Developing Library Network), BCL (British Council Library), MALIBNET (Madras Library Network)
- Lending, reference and reprographic facilities
- Study halls with a capacity for 450 students / faculty
- 2 air-conditioned audio and video halls
- Internet browsing section
- Digital Library- CD Library, CD ROMs, CD writing and scanning – Digital Library
- Dedicated areas for PG Students, Project work and air-conditioned room for staff
- Individual Membership: Library membership is compulsory for staff and students. All members are expected to follow the regulations as laid down

11.3.2 REGULATIONS FOR THE USE OF LIBRARY

One should realize the power of silence in the Library and make it an abode for academic pursuit and dissemination of knowledge.

Members should produce their Identity Card at the entrance / while borrowing books/ and whenever so demanded by security personnel / faculty.

Members should sign in the Gate Register/ Scan Id card in the Computer kept at the Entrance.

11.4 DEPARTMENT LIBRARY

In addition to the central library, each department has its own departmental library which contains important book titles in the respective branches of study. Students are advised to fully utilize these books and journals for further enhancement of their subject knowledge. Books will not be issued to anyone, but are available only for reference within the department library. HOD controls the functioning of the department library.

11.5 HOMOGENIZED TRAINING AND PLACEMENT ACTIVITIES

Employability of Engineering and Management Graduates is one of the key result areas for our institution. We are striving very hard to place all the eligible students in the leading multinational and national level organizations both in IT, ITES and Core Engineering Disciplines. Usually around 420 companies visit our campus for recruitment, which includes TCS, Wipro, Infosys, Cognizant, HCL Technologies, Athena Health Care, HP, iGate, CCC, L&T Infotech, ELGI Equipments, Johnson Controls, Honeywell, Mphasis, Sanmar, Saint Gobain, Maveric Systems, Zoho Corporation, TVS Sundaram Fastener, Technip, Flipkart, SAP LABS, Torry Harris and Virtusa. The salary ranges between ₹ 4 Lakhs and ₹ 45 Lakhs.

11.6 INDUSTRY INSTITUTE INTERACTION CELL (IIIC)

The IIIC has continued its participation with the Confederation of Indian Industries through which students and faculty would get an opportunity to interact with industries.

It has continued its participation in the Industrial Associateship Scheme (IAS) of Anna University. Through this scheme, faculty members of our college can access the library facilities of Anna University.

It organizes seminars, workshops and guest lectures from various industries for the students and faculty members.

It facilitates faculty members and students by signing MoUs with industries thereby giving exposure to the latest industrial and professional requirements.

It provides industry training to faculty members and collaborative research work is also done by working on various projects.

11.7 QUALITY CIRCLE MEETING

In order to ensure quality in the academic and administrative process, Quality Circle Meeting is conducted. The meeting is convened by the Principal and is attended by the Heads of various departments. To Ensure quality implementation of the procedures, 43 functional committees are constituted at the institute level. The committee consists of a convener, a coordinator and faculty representatives from each department. The committee monitors curricular, co-curricular, extra-curricular activities related to discipline and anti-ragging, Infrastructure and maintenance and administration.

11.8 CENTRE FOR ENTREPRENEURSHIP DEVELOPMENT (CED)

11.8.1 VISION OF THE CELL

To nurture and actualize Entrepreneurial talent among students from various disciplines of engineering and management.

11.8.2 PRIMARY OBJECTIVES

The primary objectives of starting this entrepreneurship development are given below.

- To create awareness among the students for becoming an entrepreneur
- To provide information regarding the facilities provided by the government

- To arrange financial assistance to the prospective entrepreneurs
- To conduct periodical guest lectures inviting officials from district industry centers and also from Ministry of Industry from Govt. of India and Govt. of Tamil Nadu
- As a follow-up measure, a certificate is issued to the student for designing a business model.

11.8.3 GENERAL OBJECTIVES OF THE CELL

- Conducting Entrepreneurial Development Programme with focus on creating Business Plan
- Conducting programme to create awareness about Entrepreneurship
- To study the business models created by successful & unsuccessful Entrepreneurs and create database
- To study the unique Indian Business Models that are successful and not documented
- Interacting and Collaborating with venture capitalists to provide seed capital for innovations by students and faculty
- Identifying opportunities for Green Entrepreneurship

11.8.4 SCOPE OF THE CELL ACTIVITIES

The basic need of Entrepreneurship Development Cell is to motivate and inspire students to take up the challenges of Entrepreneurship

- Equip budding Entrepreneurs with competent skills and provide them with required assistance
- Make more Competitive Job Market

12. FUNCTIONAL COMMITTEES

The Functional committees comprising senior faculty members ensure the systematic and smooth functioning of the curricular, co -curricular and extracurricular activities.

12.1 INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Functions of IQAC

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback from students, parents and other stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters of higher education.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes / activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional databases through MIS for the purpose of maintaining / enhancing the institutional quality. Development of Quality Culture in the institution.
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

13. ACTIVITIES

13.1 Co-Curricular Activities: PROFESSIONAL ASSOCIATIONS

Student chapters are well established over the years and are very active with a scholarly approach:

Institution of Engineers(IE)

Institution of Electrical and Electronics Engineers (IEEE, USA)

International Society for Automation (ISA, USA)

Indian Society for Technical Education (ISTE, India)

Institution of Electronics and Telecommunication Engineers (IETE)

Computer Society of India (CSI)

Society of Automotive Engineers (SAE)

Society of Mechanical Engineers (SME)

Indian Society of Heating Refrigerating and Air-Conditioning (ISHRAE)

Indian Plumbing Associations (IPA)

In addition, the following Professional Associations function in the College under whose aegis, guest lectures are organized; eminent scholars and experts in the appropriate field are invited regularly. Besides, the respective association organizes workshops, symposia and technical Seminars. These associations bring out departmental magazines and newsletters, periodically and cover the activities and Topics of interest:

Students Association of CSE	Students Association of ECE
Students Association of EEE	Students Association of EIE
Students Association of IT	Mathematical Colloquium
Students Association of Civil	Students Association of Automobile

Engineering	Engineering
Students Association of Mechanical Engineering	"The Hindu" – Business Line Club/MBA
Science Association	Literary Association
Management Association	Energy Club
Vibranz Club	E-Yantra Club
Yuga Club	The Public Square Club
E-Craft Club	SAE INDIA Collegiate Club
Students Association of Artificial Intelligence & Data Science	Students Association of Biomedical Engineering
Students Association of Robotics & Automation	Robotics Club

13.2 Extra - Curricular Activities

College focuses on academic and professional development of students with organizational abilities, skill sets and ethical values. The students are encouraged to participate in many co-curricular and extra-curricular activities every week / month / semester. Many students participate and excel in design contests, debates, creative writing for excellence, fine Arts, cultural, sports and in games.

Cultural Association provides opportunities to develop talents and exhibit team spirit. Students are encouraged to discover themselves and enjoy the extracurricular activities through their enthusiasm and team dynamics. The college magazine, **'BEACON'** is released every year. The faculty members and students demonstrate their mettle and excellence in creative writing.

Alumni Association provides good interaction between the former students and the college through periodical meetings, project consultancy, placement activities and guest lecturers / seminar thereby making the alumni to be a part of developmental activities, taking place in the college.

The other extracurricular activities are as follows:

Industry Partnership	MoUs/ Project consultancy
Assist in Recruitment/Placement Drive	Guest Lectures
Entrepreneurship Development Cell	Club Activities

Up gradation of syllabus - to meet and exceed expectations of Industries

Enhance Employability through Training, Personality Development Programme and Value Added Courses

Social Service units which indulge in Community Services are:

> National Service Scheme (NSS)
> Youth Red Cross (YRC)
> Rotaract Club

They conduct blood donation camps, adult literacy camps, functional literacy programmes / health and hygiene camps / tree planting schemes / AIDS prevention camps.

These motivate students to donate old clothes, Textbooks etc. and thus render services to the public. Our staff and students have brought appreciation and laurels to our institution year after year. Also they have won several awards in recognition of their services.

New initiatives are in hand to organize and provide 'Certificate Programs' for the youth of Ramapuram, in technical areas.

Adoption of Village/ School for providing Computer Education / Literacy and Health Care.

14. RULES, REGULATIONS AND PRACTICES
14.1 RULES (GENERAL)

Wear an Identity Card with lanyard (easily noticeable) whenever in the college campus and also while traveling in the college bus. Not wearing the Identity card is an act of indiscipline and is punishable**.**

Students should be punctual in coming to the college. Prior information must be given to the class coordinator for leave.

Celebrations (*Birthdays, Valentine's Day, Holi etc.,*) are strictly prohibited inside classrooms /hostels/ canteens / college buses / campus.

Inform Loss / theft of ID cards / library cards and change of address or contact telephone numbers to HOD / college Office without delay. Institution is not responsible for loss of personal items.

While riding two wheelers, triples are banned. During college hours, going out of the campus is permitted only with exit passes. If found otherwise, a fine will be imposed on the spot.

Record complaints about housekeeping / repairs in a separate register kept with the HOD / Department.

Obtain prior permission from Lab- in-Charge for doing experiments/ project work beyond the regular Lab-hours.

Observe/ comply with other specific rules of the college. These include:

Parking of vehicles only in specified areas

Wear helmets while riding two wheelers (only 1+1 as per Govt. Regulations)

Observe speed limits while riding / driving

Dispose wastes only in dustbins.

Observe timings for going to canteens. Students can visit canteens only during morning break and lunch break / evenings and not during class working hours.

Adopt proper dress code in the Campus:

 For Boys:
Permitted   : Trousers and tucked-in Shirts with collar, Shoes.
                   Students of MBA are required to wear a Tie.

Those who travel by college bus should abide by Rules and Regulations of the transport department. Bus routes are given for the convenience of the students.

All those who join hostels are to abide by "Rules / Regulations of the Hostel" published in Hostel Handbook (2023-2024) and given to Hostellers.

Smoking or Consumption of psychotropic substances inside or outside the campus is strictly prohibited.

14.3 PRACTICES

Students are to acquire and develop:

- Healthy practices, pleasant and normal behavior, discipline and decorum.
- Manners to greet peers, faculty and elders, while moving around the campus.
- Ability/skill to indulge in activities that will build the image and prestige of the institution.
- A suggestion box is maintained in every building. Students and staff are to effectively participate in the development of the college.

Attendance and Leave (Guidelines):

It is compulsory that all students and staff are positively present on the reopening day.

Be punctual and regular for lecture classes/ labs/ workshops/ seminars and submit assignments / records / homework on time.

Aim at 100% attendance and also ensure punctuality/ regularity. Students are recognized for achieving this target. In addition, there is a group incentive for the entire class for realizing excellence in attendance.

If a student is absent for even one period, it will be treated as absent for the complete session (Forenoon or Afternoon during that day).

It is compulsory to appear for all Internal / External Examinations.

Daily, weekly and monthly attendance is closely and personally monitored by the HoD (includes Punctuality / and Regularity).

Efforts must be made to realize 100% Attendance every month; once the level reaches 90%, corrective steps are to be seriously undertaken by- students, parents and the Department. It is a joint responsibility towards students' discipline.

Monthly reports are to be submitted by HODs to the Principal for preventive actions through Parents.

If the Attendance of a student is below 75%, the student will not be permitted to appear in the End Semester Examinations (ESE) and will be detained; students so detained in the respective year/ semester, will have to repeat the semester / course during the next academic year.

Students are to seek prior permission for availing leave. Whenever prior permission could not be obtained, submit the leave letter at the time of reporting to the College (Obtain invariably signature of Parents / Guardians / Hostel Warden in leave letters).

Leave on Medical grounds:

Medical leave will be accepted only in genuine and approved cases with proper medical certificate. This will be counter verified by College Hospital. Decision of RMO/Hospital shall be final in the event of doubts, if any. However, **even in case of medical leave, attendance shall not fall below 65%,** failing which the students are not permitted to appear for the University Examinations.

Medical Certificate should be enclosed with leave letters on medical grounds.

Assessment Process:

Students are supported to maintain steady academic progress.

R2019 autonomous regulations

Theory Courses: Internal marks will be awarded by conducting two assessment Tests and assignments for all theory courses.

Practical Courses: Internal marks will be awarded by:

i) "Continuous assessment" of the performance of the student in each laboratory exercise/experiment.
ii)   Conducting one model practical exam for every practical course.

The total marks for each course (Theory and Practical) will be 100, comprising two components as given below.

	Theory Course	Practical/Laboratory Course
Continuous Assessment	40	60
End Semester Examination	60	40

Internal Assessments

Two CATs, two Unit Tests, Assignment & Group Presentation/Minor Project will be conducted for internal assessments. The total marks obtained in all assessments shall be proportionately reduced for 40 marks and rounded to the nearest integer.

The internal assessment marks for practical courses will be awarded on the basis of successful completion of experiments, submission of record notebooks and the marks scored in final model practical exams. The total marks obtained in lab assessments shall be proportionately reduced for 60 marks and rounded to the nearest integer.

End Semester Examinations (ESE)

Theory Courses

The End Semester Examinations for theory courses will be conducted for 100 marks and the weightage for End Semester theory examination shall be proportionately reduced for 60 marks and rounded to the nearest integer. However, the question paper pattern for courses such as Engineering Graphics and Machine Drawing will be designed differently to suit the specific need of the courses.

Practical Courses

End semester examinations for practical courses will be conducted jointly by one internal examiner and one external examiner, appointed by the Controller of Examinations with the approval of the Principal. The evaluation will be for 100 marks and the weightage for End Semester Practical examination will be 40 marks.

Counselling:

There is one Faculty Counsellor for every twenty students (1:20). Students are counselled periodically on student development, issues affecting progress, academic performance, higher studies, placement, attendance, discipline, sports, extra-curricular activities etc.

There is a full time Expert Counsellor specialized in Psychology. Students are welcome to seek special guidance and advice from the expert counsellor, as and when it is necessary.

Students can make suggestions and feedback regarding difficulties either directly to the class In-charge / HOD / Principal or through the suggestion box (which is provided at the entrance of the Main block) or through the expert counsellor.

Class committee meetings are held three times per semester at regular intervals. During these meetings the student representatives can express their opinions and suggestions regarding lecture classes, lab sessions and cycle test performance to enable mid-semester corrections for realizing excellence in Teaching - Learning process.

Certificates:

The Course Completion Certificate, Transfer Certificate and Conduct Certificates will be issued only when the student completes the entire course work satisfactorily and leaves the college after submission.
