## EVENT : Scribble for TNPSC Group IV Examination

<b>DATE</b>	:	24-07-2022
<b>TIME</b>	:	08.00 AM
<b>VENUE</b>	:	EASWARI ENGINEERING COLLEGE
<b>NO. OF VOLUNTEERS</b>	:	9

### **AGENDA**

- Helped as a scribe for visually impaired candidates
- Volunteering like collecting the hall tickets, guiding the examiners to their corresponding exam hall

The NSS unit of Easwari engineering college has participated as a Scribe for the visually impaired candidates held on 24th July 2022 at the college premises for TNPSC Group IV Examination. A Few of our volunteers went to the examination as a scribe while the rest of them were managing the requirements for the exam like collecting Hall Tickets, Guiding them to their respective Exam halls, etc.

From this event we have learned how to understand them and got inspired of how determined and self-confident they were. It was a really great experience for us which helped us to gain some confidence over our life. Even though they have difficulties in their life it does not stop them from achieving their goals.

### **AGENDA**

- Flower rangoli
- Decorating the avenue
- Flag hoisting
- Volunteering
- Pledge

We the NSS unit of Easwari engineering had celebrated the milestone of completing 75 years of independence. We reached the avenue at 6 am and started the flower rangoli and once it was half way through the boys started to set the podium, chairs, tables etc for the guests. We were able to complete all the tasks before 8 am and worked on the minor details. The event started by 9 am with a prayer song and the welcome speech by the honourable Dean of SRM Dental College. The National Flag was hoisted by Chief Director of SRM Institution, Ramapuram Campus followed by the flag song and Pledge. A special address was given by Chief Director, Director of SRM Institution, Ramapuram followed by the Dean-E&T SRMIST and Dean-S&H SRMIST. This remarkable event came to an end with the National anthem.

Once the event ended all the guests, faculties, volunteers, students and everyone present were provided with refreshment and requested to attend a award giving session for the pre events conducted by the Campus life inside the TRP auditorium.

### **AGENDA**

- Volunteering for the inaugural function of SRM College of Arts and Science

We the NSS unit of Easwari Engineering College had volunteered with SRM Institute for inaugural function held on 17<sup>th</sup> August at the TRP auditorium and its outer almost covering the entire open air theater. On this day we helped all the students and their parents who accompanied them by guiding them to their respective department stalls which was set up all over the open air theater. All the students were supposed to report to their respective stalls and fill their details as soon as they arrived into the campus. After filing their details they were requested to attend the inaugural function. We volunteers had stood along the entrance path and guided and directed to their respective stalls according to the students registered department or course. After a while we were also asked to manage the crowd and checked weather every student and their family members had taken the complementary refreshment.

Once the chief guest arrived all the volunteers formed a human chain to guard the chief guest and accompany them till they reach the TRP auditorium and once the program came to an end we again formed a human chain and guarded him back until he came out of the open air theater.

## EVENT: Cancer Victor's Day

<b>DATE</b>	:	25-08-2022
<b>TIME</b>	:	08.00 AM
<b>VENUE</b>	:	Hotel Radha regent,koyambedu,Chennai
<b>NO. OF VOLUNTEERS</b>	:	10

### **AGENDA**

- Volunteering and helping the Cancer victors' and the event organizer

The NSS unit of Easwari Engineering College had volunteered on 25th August 2022, for Cancer's victory day which was celebrated at a hotel Radha regent, koyambedu ,Chennai, and is always an elegant event. Many citizens grace the occasion by participating in cultural programs that entertain and enlighten the people. We helped many of the Victors the reach the venue and some volunteers were standing along the path the help them take their seats. We also served snacks and lunch for all the victors and their family members. After the lunch all the victors were provided a complementary gifts ,we helped the event organizers with the distribution of the gifts

The victors who have triumphed over cancer gather every year. we feel proud and privileged to volunteer in a great event. This event gives a smile on everyone as it brings a ton of happiness.

It was a great experience for everyone to be a part of this occasion and it taught us how to be confident and lead a happy life. It is a joy when u see people around you are happy and fighting against cancer and got a rebirth and facing society with great confidence and enthusiasm within them. Lastly, it was a lighting ceremony with lots of beautiful colors and a ray of joy every hold in them

## EVENT: Beach Cleaning

**DATE** : 17-09-2022  
**TIME** : 06.00 AM  
**VENUE** : Thiruvanmiyur Beach  
**NO. OF VOLUNTEERS** : 36

### **AGENDA**

- International Coastal cleaning day at thiruvanmiyur beach, mega cleaning camp

The NSS unit of Easwari Engineering College has volunteered for cleaning the thiruvanmiyur beach for the mega cleaning camp conducted for the occasion of International Coastal Cleaning by the Ministry of Earth Science Day on 17<sup>th</sup> September 2022.

As soon as we arrived the beach our volunteers splinted themselves into small group containing 3 members each. Once everyone was grouped half number of groups went in one direction to collect the trashes and the rest of teams went on the other side. We may not be able to clean the entire beach but we were able to fill all the garbage bags provided to each group.

This camp is a very pleasant camp due to the atmosphere and the location. It was filled with lots of excitement and joy. We worked together and cleaned the beach with utmost pleasure and satisfaction.

<b>TIME</b>	:	10.00 AM
<b>VENUE</b>	:	Valayakaranai Village
<b>NO. OF VOLUNTEERS</b>	:	15

### **AGENDA**

- Conducting Dental Camp
- Taking Survey to find the village's basic requirement
- Providing stationary kits for the children

On 21<sup>st</sup> October 2022 the NSS Unit of Easwari Engineering College has taken its first move towards the mission with UNNAT BHARAT ABHIYAN at Valayakaranai, Kanchipuram. In this camp we took a Survey of the entire village based on many criteria like their health, employment, receiving of provisional funds and their basic necessities which are required to enhance their growth. The survey was taken for about 400 people and the families containing kids were given a stationary kit each . The interaction briefed our volunteers about the requirements that can be done from this scheme.

Along with the workshop, a Dental Camp was organized in association with SRM Dental College for the welfare of the residents. The villagers came forward themselves for the initiatives which made the camp worthwhile. Our principal Dr R S Kumar sir also visited the camp to encourage and support us which was great honour for our volunteers

## EVENT: Clean India 2.0

<b>DATE</b>	:	21-10-2022
<b>TIME</b>	:	10.00 AM
<b>VENUE</b>	:	Valayakaranai Village
<b>NO. OF VOLUNTEERS</b>	:	15

### **AGENDA**

- Cleaning several parts of Valayakaranai village
- Collecting trash in a organized manner like degradable and non bio degradable

On 21<sup>st</sup> October 2022 we the NSS volunteers of Easwari Engineering College had conducted a Camp to Valayakaranai village , Kanchipuram under the scheme of Clean India 2.0 which was organized by the State government across all the districts of Tamil Nadu and in several states of India. This Scheme also comes under The Swachh Bharat . It was a great pleasure to join the National Scheme.

In this camp our volunteers were split into 4 teams consisting of 3 members in each group. The village had 4 to 5 major Streets so each team was sent in each street to clean the area. We have collected degradable and non bio degradable trash separately so that it might be easy for the decomposition process. Every team had done a great job with their full sincerity and this gave them a lot of satisfaction and pleasure. We have collect around 5 kgs of trash and waste from several places of the village. The Place was cleaned and all the volunteers had gained a lot of experience and satisfaction.

## EVENT: Unnat Bharat Abiyan (Pennalur)

**DATE** : 05-11-2022  
**TIME** : 10.00 AM  
**VENUE** : Pennalur Village  
**NO. OF VOLUNTEERS** : 5

### **AGENDA**

- Taking survey in the village in various criteria
- Offering stationary kits to the children

As the NSS unit of Easwari Engineering College had already taken their first move towards the mission with Unnat Bharat Abiyan at Valayakaranai village , Kanchipuram. We have taken the mission to the next phase by extending it in the Pennalur village, Kanchipuram.

On 5<sup>th</sup> November 2022 , Saturday, our NSS units took a step on the mission with Unnat Bharat Abiyan at Pennalur, Kanchipuram. In this camp our team had reached the village at 10 am and visited the VAO of the Pennalur village and started our duty. We took survey of the village in various criteria like number of people, houses, peoples health, employment, quality of basic necessities, education, highest qualification, Funds provided by the government, receiving of provisional funds, etc. The entire village was taken the survey by which we were able to learn about the needs and necessities that are required to enchant their living and also for the welfare and the development of the village. As the survey was taken in each house, some stationaries packed as a kit were offered in occurrence of having a child or children in the house.

## EVENT: Induction Program

**DATE** : 14-11-2022  
**TIME** : 08.30 AM  
**VENUE** : Easwari Engineering College  
**NO. OF VOLUNTEERS** : 26

### **AGENDA**

- Guiding the students to their respective classes and helping the faculties in charge if the program

We the NSS unit of Easwari Engineering College had Volunteered to help the fresher of our Easwari Engineering College. We guided the students by leading them to their respective class where their class coordinators are eagerly waiting to welcome the 1<sup>st</sup> year's student.

We were split into many groups and each were standing in each point to show the way to students. The 1<sup>st</sup> group was helping the faculties near the entrance helping the students and the parents by giving them the required details about the induction program and other common details about the timings and transport. The next group was near arch leading the students and the next group members went along with some students to their classes. At end of the day the bus students were led to the bus parking by our volunteers and wait until every student reached their bus

## EVENT: Inaguration Program

<b>DATE</b>	:	16-11-2022
<b>TIME</b>	:	08.30 AM
<b>VENUE</b>	:	Easwari Engineering College
<b>NO. OF VOLUNTEERS</b>	:	26

### **AGENDA**

- Volunteering and helping the faculties of the hospitality team
- Setting up a stall for representing the achievements

We the NSS of Easwari Engineering College had volunteered for the inaugural program conducted at the TRP auditorium in which all the freshers were accompanied by their parents. The program was held on 16<sup>th</sup> November 2022 for the students and the parents to know more about the college and the clubs it contains. The Principal, Head of the Departments and all the faculties and students were inside the auditorium while the parents and the family members were outside the auditorium enjoying the function in a big screen in which the program held in the auditorium is projected.

All the clubs that the college contain were asked to setup stalls to exhibit their works and achievements for the students and their parents to make them join in any of the clubs and improve their soft skills by participating in many activities conducted by the clubs. When the program came to an end our volunteers helped the spectators to the food stalls and managed to avoid over crowding.

## EVENT: Educare Reboot

<b>DATE</b>	:	20-11-2022
<b>TIME</b>	:	08.30 AM
<b>VENUE</b>	:	EG room,Easwari Engineering College
<b>NO. OF VOLUNTEERS</b>	:	26

### **AGENDA**

- Making tactile models for the visually impaired children

We the NSS unit of Easwari Engineering College had conducted a art and craft called Educare reboot inspired by the Educare camp conducted by our seniors. This camp was held on 20<sup>th</sup> November 2022 at the EG class room in Easwari Engineering College. In this camp we encourage the learning of children with the help of craft work and models. We aim to enhance their education by making their learning hands-on and more effective.

We all together put our innovation for the initiative of teaching visually impaired children at Sethu Baskara School, Pudur, through EDUCARE REBOOT ,by making handicrafts like shapes, maps, organ charts and various types of study materials. All these models were made with great care to avoid any sharp things while making the models. Most of the models were made up of clays, threads, forum sheets, beats and cardboards.

The teachers of the school were very much delighted to see our dedication and sincerity as all their requested models were done much better than their expectations and the students really enjoyed learning using these models

## EVENT: Cleaning Camp

<b>DATE</b>	:	27-11-2022
<b>TIME</b>	:	08.30 AM
<b>VENUE</b>	:	Kodambakkam
<b>NO. OF VOLUNTEERS</b>	:	19

### **AGENDA**

- Cutting of over grown branches of trees
- Manuring the trees and plants
- Cleaning the waste after cutting the branches

On the 27th of November 2022, our unit conducted a cleaning camp as requested by the Corporation of Kodambakkam. The NSS unit fervently volunteered to manure the roadside trees for proper nutrition and pruned them to grow in a balanced manner. After the pruning the waste was collected and disposed properly. The work started by 9:00 AM, the volunteers were asked to cut down many tiny branches of trees and manuring the trees planted along the side of the road. After cutting ,the branchers were collected and the roads were cleaned.

The pruning of trees was done in order to prevent falling of trees during heavy wind blow. The tree should be grown in a balanced structure and manured often to keep the trees grow healthy and live for a long period of time. After completing the work food was arranged by the organisation and was offered to the social workers

## EVENT: Pond Cleaning Camp

<b>DATE</b>	:	08-01-2023
<b>TIME</b>	:	08.30 AM
<b>VENUE</b>	:	Thirukulam, Manapakkam
<b>NO. OF VOLUNTEERS</b>	:	51

### **AGENDA**

- Cleaning the area surrounded by the pond
- Plucking of grass
- Cutting down unwanted trees and plants
- Learning about medicinal plants and herbs

On the 8th of January 2023, a pond-cleaning camp was conducted in collaboration with the NGO, Iyarkai Charitable Trust in Manapakkam. The volunteers were put into different groups and cleaned the lake region. They started by plucking of grasses and unwanted weeds and non-decomposable things such as plastics were removed from the place and made provisions for the sustainability of the biota. Some of the unwanted trees like plantain tree and almond trees were cut down

The senior representatives of the NGO helped the volunteers distinguish the varieties of plants that were present, which enabled them to acquire knowledge about the flora over the region.

They also taught us about the medicinal plants and trees planted around the lake. All the uses of the plants were explain and it was a great experience as we learned many new things about plants and trees.

### **AGENDA**

- Reading of book and study materials for the visually impaired people for taking notes or revise the portion
- Writing notes and giving them to use them for future use

We the NSS of unit of Easwari Engineering College had volunteered to help as scribes for the visually impaired students pursuing bachelor and master degrees. This event was organised by the Sri Sathya Sai Seva Organisation at Padma Seshadri Bala Bhavan School on 22<sup>nd</sup> January. This organisation conducts such camps every Sunday to help the visually impaired to study and prepare for their exam.

In this camp all the volunteers were paired with the visually impaired student pursuing bachelor degree and master's degree and some were writers.

All the students had prepared as well as possible to use the time given to them to the fullest. Our students gained a lot of knowledge and its was a great experience working with them. As they were elder than our volunteers, they gave us many life lessons.

Many people had completed their cause for seeking this camp which made us very much satisfied and lunch was also provided to all the people and the elderly people gave us their hearty blessed

<b>NO. OF VOLUNTEERS</b>	:	21

### **AGENDA**

- Guiding the students to the competition avenue
- Coordinating with the students

On 5<sup>th</sup> February 2023 the NSS unit of Easwari Engineering College had joined hands with Vasantha Memorial trust and organized a drawing competition on the occasion of Cancer's Day. This competition was held at Guru Nanak College from morning 9:00 AM to 12:00 PM.

This evening was organized with a vision of encouraging and motivating young children regarding their skills and creating an awareness on cancer free nation. About 500 students of different ages and from different schools were participated in the competition. Since all the age group students were allowed to participate the competition had three categories according to their classes. The students were given an hour for completing their drawings or paintings, The sheet was provided to the students and our volunteers helped the parents and students guiding them to the block where the competition held.

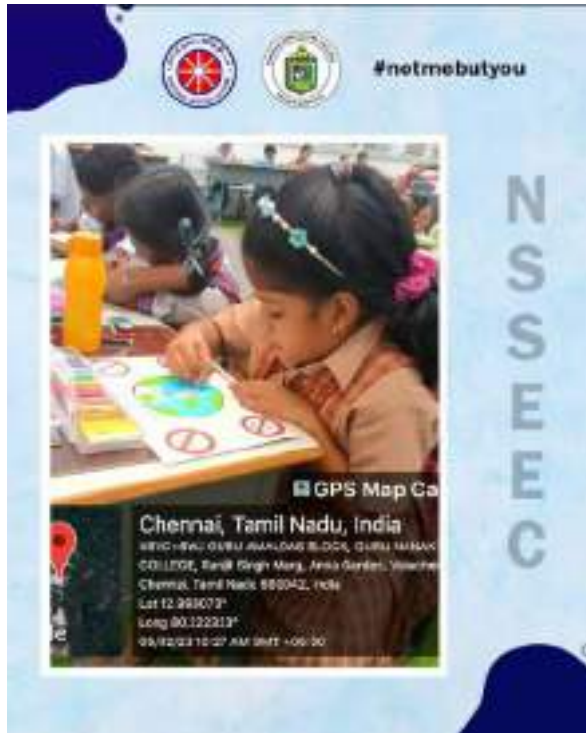

During the competition refreshments were distributed to the participants. At the end all the paintings were collected separately for each category and were assembled in a room for the judges to select the best drawings or paintings in each category. A prize and a certificate was awarded to the winners

## EVENT : Blue Cross Cleaning

<b>DATE</b>	:	12-02-2023
<b>TIME</b>	:	08.30 AM
<b>VENUE</b>	:	Blue cross of India, Guindy
<b>NO. OF VOLUNTEERS</b>	:	37

### **AGENDA**

- Cleaning kitten area
- Cleaning birdcages
- Cleaning dog's fleas
- Immaculate the cow dung and cleaning

On the 12<sup>th</sup> of February 2023, we the NSS unit of had organized a camp at Blue cross of India, Guindy. Here we volunteered ourselves and joined with the members of blue cross to accomplish the needs required which is important for the well-being of animals.

We started by cleaning the area for the kittens, first we cleared the area and even wiped it and dumped enough sand in that area for the kittens to walk and play freely. Next, we many cages which include birdcages, cage for hamsters and also some cages for the dogs by making them dust free and also provide a good atmosphere for the birds and animals to be. We also cleaned the fleas of dogs and puppies; this gave us a new experience of handling animal with care and cleaned the cow dungs and the cow yard with no hesitation. Finally, we feed all the animal which gave us a lot of satisfaction,

This camp has actual thought us many lessons regarding handling of animals and a healthy way of growing our pet animals. Tough it is fun playing with animals but when it came with a lot of work it gives a great satisfaction. Doing for the innocent creatures really made the working also fun and enjoyable.

## EVENT : Disaster Management program

**DATE** : 23-02-2023 & 25-02-2023  
**TIME** : 09.30 AM  
**VENUE** : Easwari Engineering college  
**NO. OF VOLUNTEERS** : 30

### **DAY-01**

The event started by explaining what is a disaster and its types. Every type of disaster was explained like how it occurs. We also discussed about the current affairs regarding disaster all over the world. They thought us about CPR (Cardiopulmonary resuscitation) by explaining its necessities and live demonstration of how it should be done. Some safety measures to be done during a disaster was explained. In the afternoon session they thought us about snakes and snake bites and the dos and don'ts when a snake bites. We came to know that the traditional way of rescuing a person bit by a snake are mostly myths.

### **DAY-02**

On the next session they explained about lifting technics that can be used as a single person or as two or three people. Following that they made us aware of the responsibilities as a volunteer during a disaster or an emergency. In the afternoon session we were given a demonstration of using fire extinguisher. 1<sup>st</sup> the trainers demonstrated the usage of fire extinguisher and then one of our volunteers tried to use the fire extinguisher. Then a fire truck was brought and demonstrated the working of water hose. It was a new experience to learn many things and knowing our responsible.

## EVENT : No Tobacco Day Awareness rally

**DATE** : 31-05-2023  
**TIME** : 09.30 AM  
**VENUE** : Porur  
**NO. OF VOLUNTEERS** : 44

### **AGENDA**

- Going rally along the roads of porur
- Distribution of outlets to the people

World No Tobacco Day is celebrated every year on 31st May to create awareness among people about the health risks associated with tobacco use. We the NSS unit of Easwari engineering college initiated a rally to perform from the Porur signal to the Kundrathur Post Office along with the volunteers of Brahma Kumar, Adyar . The volunteers distributed pamphlets and placed placards on corners to create awareness amongst the people. We started at 9:00 AM from the college premises. Reached the location in around 20 minutes and started to take the required posters, pamphlets, outlets etc. and started to do rally along the main road near Porur bridge.

We walked as far as we could shouting our lungs telling “say no to tobacco”. Once we reached a certain distance, we took a U-turn and came back to the place where we started. Took some rest and distributed pamphlets to the surrounding people

- Volunteering and helping the Cancer victors' and the event organizer

The victors who have triumphed over cancer gather every year. This event brings lot of happiness to all the people. The affected is happy to have conquered the cancer with the greatest support of their family and friends and are feeling happy that their loved ones are rebirth. It is a great lesson that the Victor's triumphed over the cancer is best lesson learnt on that beautiful day and it will be also a cheer to the victor on their victory day.

The celebration is on 27th August 2023 at Hotel Radha Regent, Koyambedu chennai and it is a grand event with numerous numbers of Victor's who conquered their disease. Citizens from prominent cities grace the event with lot of dedication and the luminaries are rewarded with a memento in return Victor's are awarded by a memento to cherish this memory forever.

The highlight of this occasion is " lamp lighting ceremony " in which more than 130 plus victor light their lamps which recognize their outset after cancer. It is a great delight for us, the NSS unit of Easwari Engineering college to be a part of this gracious event

## Description

“The Magic in new beginning is truly the most powerful of them all “. The squad Youth Red Cross (a unit of Indian Red Cross Society) of Easwari Engineering College conducted its 15<sup>th</sup> installation ceremony “**QUASAR**” for the tenure 2022-2023 on 22<sup>nd</sup> August 2022. The programme was scheduled between 10:00am and 1:00`pm at TRP Auditorium, EEC . Initially the Office Bearers assembled on time and did volunteer work for the programme. The ceremony was honoured by the presence of chief guests Dr.S.Thanigaiarasu - YRC coordinator of Anna University , Dr.Aruna Rajendran - Paediatric

Oncology , ICH Egmore and Special Guest Mr. Darwin Annadurai from Eco Society India . The programme was also cherished by our Honourable Principal Mr. R.S. Kumar and our YRC Programme Officer Mrs.C.Manjula. QUASAR was invoked with Thamizhthaa Vaazhththu and lightning the kuththuvilaku. Our chief guests were honoured by giving momento and our principal and special guest were presented with saplings. All of us took a promising pledge on responsibilities, delivered by our YRC president Ms.Kirthika J. Our Chief Guests and our Principal addressed the squad with their inspiring speech. The annual report of tenure 2021-22 & action plan of current tenure 2022-23 were briefly conveyed by our President Ms.Kirthika J and our YRC secretary Mr.H.Venkatesh, respectively. Moreover, the magazine of the year 2022-2023 “HORIZON” was released by our honourable Chief guests. Finally the most awaited moment of honouring our Office

Bearers of the current tenure were introduced by our Programme Officer Mrs.C.Manjula with their positions of responsibility and our office bearers were honoured with badges by our Chief Guests . At last, the ceremony came to an end with the vote of thanks from our Vice President Ms.Priyadharshini and ended with our National Anthem.

“Be the reason for someone's heartbeat”

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College has conducted a Blood Donation Camp on the 75th Independence Day and Founder's Birth day in collaboration with Indian Red Cross (IRC) Society, Egmore. The camp was scheduled between 10:00 am and 3:00 pm in the Gallery Hall, Easwari Engineering College on 24th August 2022 with an aim of 125 units of blood. It was headed by IRC doctors and technicians with the guidance of our YRC Programme Officer, President, Secretaries and Office Bearers of this tenure. Initially, the Blood sample was tested for haemoglobin through electrophoresis and blood pressure was also counted for the donor's sake. There were donors from our college students, inter-college staff and faculties, YRC Office Bearers and even the general public donated blood. The camp went more special than expected as we achieved more than our aim. Finally, donors received refreshments and Government approved certificates.

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College has organized a Plantation Event in collaboration with Eco Society, India. The Event was scheduled between 7:00 am and 10:00 am near Agaramthen Panchayat at Tambaram on 3rd September 2022. It was headed by Mrs. Darwin Annadurai, Founder of Eco Society, India and was successfully accomplished with the help of 30 Volunteers including Office Bearers and Members. Firstly, The "Tree Guard" was cut for the protected growth of the sapling. Secondly, 11 saplings were brought from the Agaramthen Panchayat which they had been nurturing for the purpose of Plantation. Next, "Tree Guard" was carefully placed for already planted saplings. Then, The Plantation process was explained to the Volunteers by Mr Darwin Annadurai and the nurseryman. The plantation process was carried out by the explained procedure and saplings were planted in the pits dug as per appropriate depth and width measurements, tools were provided by Eco Society. Then, The "Tree Guard " was carefully placed. Finally, water was poured on the sapling. The Plantation Event came to an end with Mr Darwin informing the volunteers of the significance of the service Youth Red Cross(YRC) is taking part in and that should be proud of it, adding on he continued to explain the importance of plantation in this modern era. Refreshments were provided by the Eco Society to the Volunteers.

On the occasion of Teachers Day, our Youth Red Cross (a unit of Indian red cross) of Easwari Engineering College(Autonomous) planned to give a present as a token of love to the professors who enlightened us with their knowledge. As “TEACHERS PLANT THE SEED OF KNOWLEDGE THAT LAST A LIFETIME” as the saying goes, we chose to give a sapling to our beloved teachers. The YRC officials and Office bearers gathered on September 5, 2022 at OAT in EEC and the fund were self-sponsored by splitting the total cost among Office Bearers. Our OB’s separated saplings for each department and presented it to their respective faculties by wishing them a Happy Teachers Day. The smile on face of the faculties when we approached them personally made our day splendid and all the professors bestowed on us with their heartfelt blessings. The Head of the Department of Mechanical Engineering planted the sapling which we gave next to their block. Finally we presented our well-wisher and program officer Ms.C.Manjula mam with a sapling and a gift.

## YOUTH RED CROSS

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College (Autonomous) has organized a webinar on Suicide prevention in collaboration with the Youth United Council of India (YUCI). The Webinar was scheduled at 5:00 pm on 10th September 2022. It was headed by Dr. Chintha Aravindh, a Psychologist with YUCI, India and hosted by event heads. The webinar started with YRC Office Bearer, Janti A. Sejana introducing Dr. Chintha Aravindh and the field of work she is involved in, to the Youth Red Cross (YRC) members and General Public who attended the webinar. The webinar was attended by 185 participants. Firstly, the Speaker started by informing attendees about the early warning signs of "Depression." The evergoing myth that depression always has to be suicidal thoughts and reinstated the fact that depression can be identified through early warning signs like feeling hopeless, change in sleeping and eating behaviour, etc was stripped away. Moving on, Speaker spoke on aspects of understanding suicide, identifying someone who is suicidal, helping people from committing suicide and how to prevent suicide and become resilient. Speaker emphasized 10 Life skills as per the guidelines of the World Health Organization (WHO). The Speaker further stressed and informed the attendees that "Suicide is 100% preventable If you Speak up and Reach out for help." The webinar came to an end with the Speaker informing about a few suicide hotlines which are always ready to help people and the Speaker quoting a few lines said by Robin Williams, "If you're that depressed, reach out to someone. And remember, suicide is a permanent solution, to a temporary solution." Finally, the vote of thanks was delivered by Office Bearer Sejana R thanking the Speaker for this informative session.

## DESCRIPTION

"You can be a hero by learning and providing first aid when the time comes."

**EASWARI**  
ENGINEERING COLLEGE  
APPROVED TO INNA UNIVERSITY  
RAMAPURAM, CHENNAI

# YOUTH RED CROSS

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College (Autonomous) has organized a first aid training camp on account of the World first aid day from 12th September 2022 to 16th September 2022 from 4:30pm - 5:30pm for five consecutive days. The training was done by Mr. Karalmarks in collaboration with Alert NGO, Tamilnadu and headed by the Executive. The camp was attended by a total of 50 participants who included

camp started with Mr. Karalmarks highlighting the importance of first aid and further spoke about how simple technique or procedures could save the life of an individual. Firstly, Sir questioned the participants on various basic steps they think is an appropriate response to an accident. Sir then said that the first step towards helping a victim is to make sure that you as an individual are in a safe and protected environment. The next step is to try to wake that person by tapping on his shoulders since it is one of the most sturdy places to apply force without further alleviating the condition of the victim. The following step is to check whether the victim is breathing and to do this lower your ear to the nasal hole of the victim and try to feel the exhaling air while simultaneously observing the movement of the chest up and down. The next step, which is one of the most important step is to slightly lift the chin with one hand and support the motion in the same direction with the other hand on the forehead, this one simple technique can save a person's life as the tongue is the part of the body which restricts the person to breathe. Before performing the first aid, point someone from the public with the help of visual code and instruct him/her to call the ambulance (108)

immediately. Now, if the victim is breathing you have to perform the Recovery Position, that is the victim's left hand (or right) should be placed in T-Position and the victim's off hand should be placed like a "V" over the chest. Then with one hand on shoulder and other on the leg, push the victim in a sideways position towards you. This enables faster head and heart blood circulation and the tongue again will not block the airway. But if the victim is not breathing then we have to perform "CPR" (Cardiopulmonary Resuscitation), which was taught by Mr. Karalamrks. It must be performed in cycles of 30.

This event was a major success with many volunteers who were willing to learn and demonstrate the techniques to the fellow participants.

## DESCRIPTION:

“LEAVE NOTHING ON BEACH EXCEPT FOOTPRINTS”

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College (Autonomous) joined as a part of “Swachh Sagar Surakshit Sagar” a Central Government Event to clean coast, safe sea. It was conducted on 17<sup>th</sup> September 2022 between 6:00-9:00am, we were allotted on Thiruvanmiyur Beach. There were 220 participants as volunteers on our side to clean the coast. We gathered there on time, Trash bags and Gloves were provided and divided into groups to clean in separate places. Then all the trash were collected in one place and they were dispatched by the organizers. Finally, all the participants were received Central Government Certificates and Refreshments right away after cleaning the beach.

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "Types of Birth Control" with a diagram of the female reproductive system. The diagram labels the Ovary, Uterus, Fallopian tube, Cervix, and Vagina. Below the diagram, four categories of birth control are listed: Oral contraceptives, Barrier devices, Intrauterine devices, and Implants. The Zoom interface includes a top toolbar with icons for chat, mute, video, and screen share. On the right side, there is a grid of participant video thumbnails. The top row shows two thumbnails: one with a green 'E' icon and another with a red '06' icon. The middle row shows four thumbnails with names: SAYATHI CHO, 27 BHUVANESH LJ, and two others. The bottom row shows two thumbnails, one with a purple 'C' icon and another with a red '06' icon. The bottom status bar indicates "62 others" are in the meeting.

"The best contraception in the world is a good education."

# YOUTH RED CROSS

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering

College (Autonomous) has organized a webinar on Contraception awareness on account of 'World Contraception Day'. The Webinar was scheduled at 5:00 pm on 26th September 2022.

It was headed by Dr Ejilarasy Prasanna, a Gynecologist and hosted by event leads. The webinar started with YRC Office Bearer Inbatamizharasi B introducing Dr Ejilarasy Prasanna and the field of work she is involved in, to the Youth Red Cross (YRC) members and the General Public who attended the webinar. The webinar was attended by 220 participants. The Speaker, Dr Ejilarasy began by informing attendees about the types of birth controls available namely, Oral contraceptives, Barrier and Intrauterine devices. Then, the Speaker went on to speak about Oral Contraceptives and the positive benefits of birth control pills, further, She also mentioned a few pills for regular contraception. Next, The Speaker elaborately explained the procedure of how to take a contraceptive pill. Following, The Speaker educated the attendees about the different types of Barrier methods available namely, Male Condoms, Female Condoms, Diaphragm and Cervical Cap. The Speaker also covered the side effects of the respective contraceptive method. The Speaker informed the attendees of the duration within which emergency contraception is effective, that is, within 72 hours of unprotected sexual intercourse. The Speaker brushed on the Intrauterine Devices (IUD). The webinar came to an end with The Speaker informing the attendees about Sexually Transmitted Diseases (STDs) and Sexually Transmitted Infections (STIs) and their symptoms. Finally, the vote of thanks was delivered by YRC Office Bearer Ramkumar K S thanking The Speaker for this informative session.

## DESCRIPTION

**"The Greatness of a nation and its moral progress can be judged by the way its animals are treated."**

We the Team of Youth Red Cross(a unit of the Indian Red Cross) of Easwari Engineering College(Autonomous) had noticed an injured dog on our campus and decided to treat him in the name of Animal welfare Day on 6th October 2022. Due to the injury in his leg, he was not able to walk properly. Three Officer Bearers took the injured dog to Blue Cross Guindy. The dog was in bad condition and has wounds on his leg. The Office Bearers then handed him over to the staff of Blue Cross. The Doctor said due to the injury on his leg he might not be able to regain his shape but

**Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, Universality**

took initiative because it is our duty as humans to safeguard the animals around us. Animals play a crucial role in maintaining the ecological balance of our planet and on account of Animal Welfare Day of 2022, we the team of Youth Red Cross of Easwari Engineering College(Autonomous) request and call upon the citizens to treat animals with kindness and compassion in order for us all to exist in harmony and peace. Overall, it was a wonderful experience interacting with the staff of Blue Cross, Guindy who were more than welcome to answer our questions regarding the health and wellness of animals.

**“ONCE A BLOOD DONOR IS ALWAYS A LIFE SAVER”.**

The Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College has conducted a Blood donation camp in collaboration with the Department of Computer Science & Engineering on behalf of Kratos (a national level symposium). The camp was scheduled between 10:00am – 1:00pm in the Drawing Hall, EEC on 15th October 2022. It was headed by Kilpauk Medical College Blood Bank with the guidance of our YRC programme officer, President, Secretary, Vice President and Office Bearers of this tenure. Initially the blood sample was tested for Hemoglobin and blood pressure were also counted for the sake of the donor. There are donors from our college students, Inter College faculties & Staffs, even our YRC members donated blood. Finally, donors were received refreshments & government approved certificates...

# YOUTH RED CROSS

The Youth Red Cross (a unit of the Indian Red Cross) of Easwari Engineering College(Autonomous) has planned a food donation event on 16th October 2022. It was headed by event leads and accompanied by fellow Office Bearers(OBs).

The Food for donation was collected at 8:00 am from Thiruporur. The food donation started at Guindy Bus Stop at 9:00 am. The motto of the Indian Red Cross Society is: **Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, Universality.**

YRC then spread food at the Guindy Railway Station followed by St. Thomas Mount Railway Station and then at Urban Square, Kathipara Junction and various other locations across Chennai. A total of 100 portions were distributed to the poor. The overall response proved to bring immense gratification to the Office Bearers on performing an honourable job. This is an experience that all the Office Bearers will never forget in this lifetime of theirs. The team of YRC would like to emphasise that this event is aimed at helping the needy and helping them live peaceful lives in harmony. Finally, on account of World Food Day, the team of YRC would like to highlight and call upon the citizens of India to play a role in combating problems such as hunger which are still prevalent to a large extent.

On occasion of the festival Diwali, our Youth Red Cross (a unit of Indian Red Cross) of Easwari Engineering College has decided to celebrate this occasion with the orphanage children on 22<sup>nd</sup> October 2022. We named as Maththappu – The light for the Children, but due to some issues we cannot interact with the children so we decided to donate groceries, sweets & crackers for them. We visited the orphanage and interacted with the caretakers, they treated us with kind-hearted and refreshments, we gifted the necessities. The Head of the Orphanage praised and blessed with her words. This initiative motivates us to serve the needed.

# YOUTH RED CROSS

The Youth Red Cross (a unit of the Indian Red Cross) of Easwari Engineering College (autonomous) has organised a Futsal Tournament to raise funds for child health care through "KICK IT". The event was held on 20th October 2022. A total of 8 teams had registered for the game. The event took place at MSR Sports Academy, Iyyappanthangal with fixtures drawn for 8 teams. Namely Demons FC, LFC, Hala Madrid, Dead souls, Dace A, DaceB, Black Hawks and

(A Unit of Indian Red Cross Society)  
Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, Universality

which 8 matches were in the form of League type of tournament and the remaining 3 matches in the form of Knockout type of tournament. Points were given based on win, loss and draw based on goal difference to advance up in the scoreboard. Rules and Regulations were informed beforehand to all the participating teams, it was also informed that the match time would be a maximum of 15 minutes (7+1+7) with each team length of 7 members (5 main + 2 Substitutes). Refreshments were provided to all the participant teams. After 8 League matches, 4 teams entered the Final Stage of the tournament to play knockout matches against each other for the grand victory. On the basis of the scoreboard, the teams which played against each other in the final stage are Dace A, Team 69, Hala Madrid and LFC. The Semi-Finals were held between Hala Madrid and Dace A and between Team 69 and LFC. In the end, one team emerges as the champion, hoisting the trophy and celebrating their victory. The final match was held between LFC and Dace A, the players of both teams were focused and determined, fueled by their desire to win the tournament and claim victory. The champion of Hat Trick's "KICK IT" was Dace A and the runner-ups were LFC. The champions were given a cash prize of ₹3000 and the runner-ups were given a cash prize of ₹1500 along with certificates and trophies.

## DESCRIPTION

**"You must be the change you want to see in the world - Mahatma Gandhi"**

We the Team of Youth Red Cross(a unit of the Indian Red Cross) of Easwari Engineering College(Autonomous) volunteered to support the event organised by the College Management on account of the 74th Republic Day. Republic Day is an important day in India's History. It is celebrated every year on 26th January to commemorate the day when the Indian Constitution came into effect. The event started at 8:00 am by reciting "Tamil Thaivazhthu". Then Chief Guest and other dignitaries were introduced to the students. After this, the Chief Guest was called upon to hoist the national flag. Next, each Dignitary enlightened the students regarding the importance of Republic Day in the history of India and reinstated the Civil duties of a Citizen of this wonderful Nation "Bharath". Finally, the Ceremony came to an end after the delivery of the vote of thanks.

## DESCRIPTION

**"There is something infinitely healing in the repeated refrains of nature."**

The Team of Youth Red Cross (A unit of the Indian Red Cross) of Easwari Engineering College (Autonomous) has conducted a lake cleaning event in collaboration with Eco Society, India. The event was scheduled from 7:00 am to 11:00 am at Medavakkam Lake on 12<sup>th</sup> March 2023. It was headed by Mr Darwin Annadurai, Founder of Eco Society, India and was successfully accomplished with the help of 50+ volunteers including Office bearers and Members. Firstly, Mr Darwin Sir enlightened the volunteers about the importance of keeping our surroundings and nature clean and thanked the volunteers for their service. **Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, Universality** appropriate gloves, tools and garbage bags and were instructed to collect non-biodegradable, that is plastic waste and also glass bottles, etc. Volunteers were split into a team of 5 for better efficiency. Next, the teams were instructed to cover a series of areas so that the entire lake could be garbage free. Around, 10:30 volunteers were able to fill more than 10 garbage bags. This event moreover reached great heights since the number of garbage bags filled was more than 15 Bags. The enthusiasm of volunteers was greatly appreciated by Mr Darwin Annadurai of Eco Society. Finally, after the stupendous service done by the volunteers Mr Darwin Annadurai provided breakfast and refreshments. The event culminated with Mr Darwin Sir speaking highly of volunteers for choosing to spend their time and efforts for such a noble cause.

“Our prime purpose in this life is to help others, and if you can’t help them, at least don’t hurt them”. In collaboration with Blue Cross of India, we the team of Youth red cross of Easwari Engineering College has participated in organizing their place on 26<sup>th</sup> March 2023. Our office bearers and volunteers were accompanied with the supervisor who guided us and separated us for individual works. We spent some valuable time with the pets and done our job with satisfaction. We thank to the Blue Cross for giving us this opportunity to spend time with them...

## "The true meaning of life is to plant trees, under whose shade you do not expect to sit"

# YOUTH RED CROSS

The Youth Red Cross (A Unit of Indian Red Cross) of Easwari Engineering College has organized a Nursery Maintenance Event in collaboration with Eco-Society, India. The Event was scheduled between 7:00 am and 10:00 am near Padappai at Tambaram on 30<sup>th</sup> April 2023. It was headed by Mr Darwin Annadurai, Founder of Eco Society, India

Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, Universality

Darwin explained to the volunteers the process of creating a sampling which is cultured for one year, only after which people can buy them and plant them in order for the plant to grow into a beautiful tree. The process includes pouring soil which is a mixture of black soil and manure into a sampling bag with aeration at the bottom for excess water to pass through. Next, plant the sampling loosely and pour soil again in a manner it does not suffocate the sampling with its tap root. Then, the sampling as said is taken good care of by the nursery caretakers by pouring water systematically and exposure to sunlight. The Event came to an end with Mr Darwin informing the volunteers of the significance of the service Youth Red Cross (YRC) is taking part in and that should be proud of it, adding on he continued to explain the hard work and effort that goes into a single sampling's maintenance and growth of the same in this modern era. Refreshments were provided by the Eco Society to the Volunteers. We are proud to pronounce that everyone enjoyed this event and left with a greater appreciation for the hard work and dedication of our nursery caretakers. Once again, we thank our volunteers for their exceptional efforts to attend to the call of nature and congratulate them on their well-deserved certificates of appreciation.

# YOUTH RED CROSS

The digital poster-making contest was organized by The Youth Red Cross (Unit of Indian Red Cross) Easwari Engineering College (Autonomous) to promote creativity and digital art skills among the participants. The contest was open to all students, intending to encourage them to showcase their artistic talents through visually appealing digital posters. The participants were formerly informed about the rules and regulations through member groups and the

Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, Universality  
The participants were required to submit their entries in digital format, which were then reviewed. The digital posters were judged based on several criteria, including creativity, originality, visual impact, message clarity, and overall quality. The objective of the event was to help people recognize the early signs and symptoms of cancer, thus enabling them to seek treatment at an early stage. The winners of the event were announced as posted on the Instagram handle of the club.
