

EASWARI ENGINEERING COLLEGE(AUTONOMOUS)

SATISFACTION SURVEY FROM EMPLOYER (ON CURRICULUM, COURSE, TEACHING-LEARNING AND EVALUATION)

Industry Name

30 responses

PROGRAMME NAME

30 responses

The technical knowledge of the students is good

30 responses

The curriculum and syllabus provide sufficient knowledge in the area of study
30 responses

The students are able to work as part of the team
30 responses

The students maintain cordial relation with peers and seniors
30 responses

Communication skills of the students are good

30 responses

Students have the required managerial / leadership qualities

30 responses

Students volunteer to get into new initiatives taken up by the industry

30 responses

Students contribute substantially to the growth of the industry

30 responses

Students align themselves to the demanding needs of the industry

30 responses

The curriculum and non-curricular initiatives taken up by the institution has helped the students to attain the required competency level

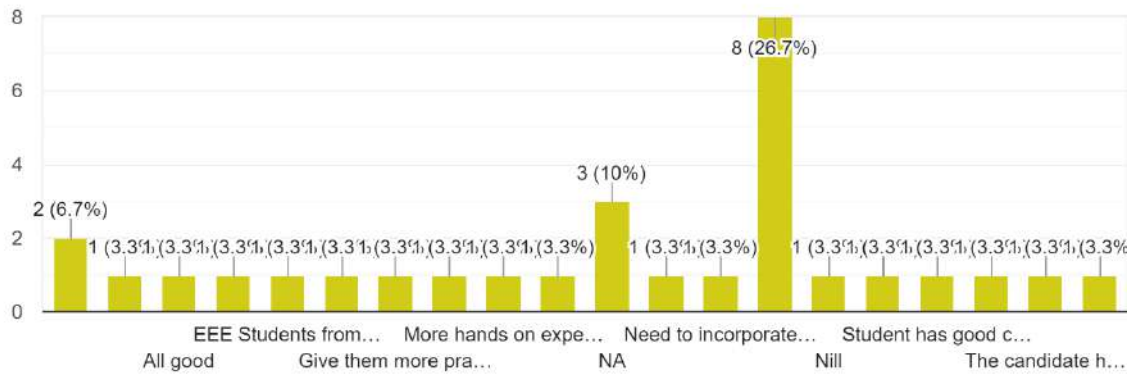

30 responses

Students have the ability to learn industrial practices fast and mould themselves into the stream

SATISFACTION SURVEY FOR ALUMNUS (ON CURRICULUM, COURSE, TEACHING-LEARNING AND EVALUATION)

Year of Admission:

193 responses

Name of the programme studied:

193 responses

The curriculum and syllabus content were appropriate for my placement / higher education

193 responses

Sufficient number of co-curricular activities were arranged during my study period
193 responses

The institute-industry tie ups were useful for me
193 responses

The institute / faculty helped me in placement / higher education
193 responses

The learning ambience at the institute is good

193 responses

The institute provides sufficient opportunity to participate in extracurricular activities

193 responses

The curriculum accommodates courses with experiential learning (hands-on)

193 responses

All the academic processes of the institute is transparent

193 responses

The institute is student-centric in all its academic initiatives

193 responses

FEEDBACK FORM FOR STUDENTS (ON CURRICULUM, COURSE, TEACHING-LEARNING AND EVALUATION)

PROGRAMME NAME

849 responses

- B.E:AUTOMOBILE ENGINEERING
- B.E:CIVIL ENGINEERING
- B.E:COMPUTER SCIENCE ENGINE...
- B.E:ELECTRONICS AND COMMUNI...
- B.E:ELECTRICAL AND ELECTRONI...
- B.E:ELECTRONICS AND INSTRUME...
- B.E:MECHANICAL ENGINEERING

- Strongly Disagree

The course outcomes are well defined and clear

70 responses

- Strongly Agree
- Agree
- Neutral
- Disagree
- Strongly Disagree

Sufficient number of relevant reading materials and digital resources are available in the Library
70 responses

The course has good balance between theory and application
70 responses

The course/syllabus of this course increased my knowledge and perspective in the subject area
70 responses

I have the freedom to adopt new techniques/education tools /strategies in teaching
70 responses

I am able to achieve the minimum required course outcome attainment level for my class I am able to achieve the minimum required course outcome attainment level for my class
70 responses

I have taken sufficient steps to provide assistance to slow learners
70 responses

I have contributed to the curriculum and / or syllabus development

70 responses

Additional Comments / suggestions:

EASWARI ENGINEERING COLLEGE

(Autonomous)

BharathiSalai, Ramapuram, Chennai – 600 089

Feedback on Curriculum Under R2019

Date: 29-05-2023

S.No	Feedback Received
Alumni	
1	It would be best, if the College Body Promotes more research oriented activities such as exchange programs, Research Labs etc.
2	Management has to interact with industry people since Easwari Engineering College has good name in the industry. Need to focus on design and business centre for automotive industry.
3	More number of Guest lectures and workshops are needed.
4	need more value added internships
5	Coordination with Core industries can be appreciated
6	Inclusion of experimental/hands on/practical sessions along with theory would be better
7	Career based program need to organize
8	Institute can make students do different kinds of internship at different fields,so that students have a wide understanding of what is happening in the real world.
Students	
9	Curriculum should be designed to make students as Industry ready graduates
10	For each theory Industry oriented topics can be added and hands on experience in tools can be added.
11	An open-book exam may be given as an assessment to student since it require you really understand material and be able to apply or analyze information and content rather than just remember it.
12	New subjects relavant to industry needs can be included as core subjects
13	New courses related to VLSI domain can be added to curriculum to cater the need of upcoming industrial surge
Teachers	
14	For each theory Industry oriented topics can be added and hands on experience in tools can be added.
15	An open-book exam may be given as an assessment to student since it require you really understand material and be able to apply or analyze information and content rather than just remember it.
Employer	
16	Need to incorporate industry related courses.
17	More hands on experience for the students can help them perform even better in the industry.
18	Focus more on communication
